

# Ladybug Colors Game

## Instructions:

Print the game board on cardstock. If desired, laminate for durability. Print the cards on cardstock. Shuffle the cards and lay them face down.

Find two objects to use as game markers (buttons, small plastic animals, or whatever you like). Put markers on the START spot.

Players take turns drawing cards. Draw a card, read the color word, and move to the closest space with that color. Continue taking turns and moving until one player makes it to FINISH and wins the game.

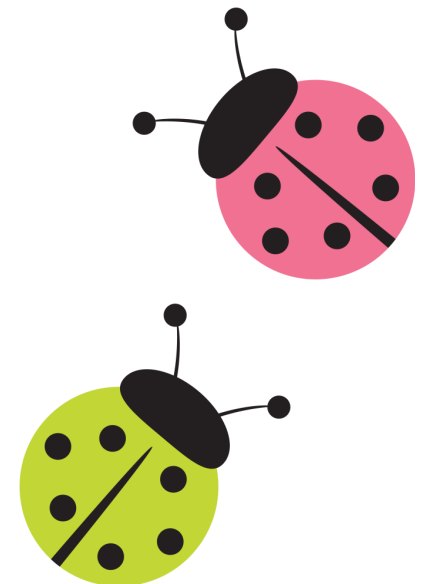

If you run out of cards, gather the used cards, shuffle, and use them again.
